TIMETABLES AND ROUTES

- Download the Trafi app.
- Check Google maps <https://www.google.com/maps>

SINGLE TICKET

You may purchase a single ticket on board from the driver. The price without any discount is

1 Eur. Please, give the driver the exact amount of money when purchasing tickets on board.

The ticket is valid up to the last stop of the route.

KAUNAS CITY CARD

If you plan traveling by public transport more, we recommend to buy an electronic card –

Kaunas city card. It costs 1,50 Eur. and is available at **Narvesen** convenience store at the

airport, bus station or at any newstand in the city, PC Maxima information desks or AB

Lietuvos paštas post offices. You may top up your Kaunas city card with a desired amount of

money or tickets.

Types of tickets are listed [here](#).

The prices are listed without concessions. For special rates applicable to students, pensioners and

the disabled, check our website [here](#).

Please remember to properly [activate and correctly tag your e-ticket](#).
